Let it do so, and in a few days the owners will be fully satisfied.

MILES SOLD.—S. H. is sold at this county sale a few days since, a lot of aged horse and mule \$193 per head.

Mr. T. H. of Owen County shipped at La Grange for Cincinnati 190 sheep purchased by him in Shelby Co., at \$39.

ENCOURAGING.—We informed by Messrs. J. A. Edwards & Co. Bankers, that they have negotiated the sale of over \$60,000 worth of the Shelby Railroad bonds at 90cts. and the accrued interest. This is doing well, the bonds having been put on the market last Saturday.

ON TIME.—The horse thief who has appropriated the hitching post on the public square as the place and Sunday night as the time for committing his depredations was "at his post" on last Sunday night. Mr. Issiah Fawkes was the sufferer. He lost a fine mare.

TALL CLOVER.—Mr. C. J. Morton has some clover grown by Mr. Jas. Hackworth of this county that measures 5 feet 8 inches high. Mr. Hackworth can do enough for those having some cleverness measures 6 ft. 4 in.

ACCIDENT.—As Mr. Adam Middleton was driving home from town last Monday his horse became frightened, ran some distance and was not checked until the animal had fallen and in the fall broke a leg. We are glad to learn that Mr. Middleton did not sustain any injury.

SAD ACCIDENT.—Jas. Appling a brakeman on the Cincinnati and Louisville Railroad, while passing through a tunnel on Friday night, fell from the freight train and was taken up in an insensible condition. But little hope of his recovery is entertained.

SALE OF HORSES.—The following are the sale of horses made at W. Hall & Co.'s, Stable, on Monday, County Court day, viz:

1 Pair Horses, \$600; 1 Bay Horse \$140; 1 Bay Mare, \$155; 1 Brown Horse, \$175; 1 Bay Horse, \$160; 1 Black Mare, \$100; 1 Brown Mare, \$150; 1 Brown Horse \$167 50; 1 Bay Horse, \$160.

ALUMNI MEETING.—On next Monday there will be a meeting of the Alumni of Shelbyville High School in the Basement of the Methodist Church at 3 o'clock P. M. It is hoped all of Prof. Dodd's old pupils who can do so will attend. Important matters will be presented for consideration.

STOCK SALES.—Mr. B. K. Bailey, sold on last Monday, County Court day, the following:

22 head beef cattle \$49 96; 1 lot mules 22 class, 2 year old \$180; 5 cattle 950 lbs \$57 25; 1 lot yearling mules inferior \$72 25; 19 head 2nd class cattle 2 year old 44 80; 1 yoke oxen, \$180; 1 lot 2 year old 14 hands 1 inch high \$120; 1 lot mules 3 hands 3 1/2 in. \$12 00.

TOWN ELECTION.—On last Saturday Shelbyville voted a tax of 25cts on the \$100 for the purpose of procuring a Steam Fire Engine. The measure was carried by 70 majority.

The following gentlemen were elected Trustees:

C. M. Harwood, Jas. M. McGrath, C. C. Watts, E. M. Ware, Jas. F. Chinn, Sam'l Hartman, A. H. Logan.

La Grange has two large families by the presence of a couple, Mr. ——, and Miss —— of Woodford County, who have recently come to Cincinnati. They desired to be made men and wife in relation which the incorrigible parents of said couple were open to render the case doubly interesting, the train was kept open, which fact, added to the hot pursuit of enraged parents, caused our young friends no little trepidation. However the train came thumping along in advance of the pursuers, and the bridal party hastily left the Oldham House, bailed out the car, and are thus their troubles are ended or just begun.

The Shelby Importing Company have imported from Canada some fine stock that will be sold at public auction on the 19th at the Shelby Fair Grounds. A credit of 60 days will be given.

The following is a list of the stock to be sold.

Two young Bulls, 11 Cows and heifers, 10 Berkshire Pigs. Programmes may be obtained from G. N. Robinson Secretary.

The Company organized at La Grange to construct a turnpike to intersect the Shelby and Smithfield pike, are now surveying the route. It is to be hoped that the citizens of Shelby will continue their end of the road to the Oldham line. It will give the farmers of that section a good and short road to the depot at La Grange, when they can ship to Louisville or Cincinnati.

SITUATION WANTED.—A lady who is an experienced teacher, desires a situation in a school or family. She teaches all important branches pertaining to a thorough English education. For further information apply at this office.

### Cyrus W. Field.

Issued by the Mutual Life Insurance Company of New York Dec. 10th 1858. Price \$1000.00 Dividends Advertisements \$1000.00

The truth of the accident reported in my previous issue and in yesterday's paper is as follows:

This instrument now worth \$17,600 to Mr. Field's estate must bear 21 annual premiums of \$198.00 each or \$1,752.00 in all and has yielded more than 20 per cent per annum on the outlay.

Such a sum is a fair amount of insurance to be given by the Mutual Life Insurance Company. This Company is the largest and most popular life insurance Company in the world and is strictly mutual.

ENCOURAGING.—We informed by Messrs. J. A. Edwards & Co. Bankers, that they have negotiated the sale of over \$60,000 worth of the Shelby Railroad bonds at 90cts. and the accrued interest. This is doing well, the bonds having been put on the market on last Saturday.
